

## IF THERE IS WATER, THERE IS A WAY.

SAL Heavy Lift, a part of the Harren Group and a member of the JSI Alliance, is one of the world's leading carriers specialised in sea transport of heavy lift and project cargo. The JSI Alliance is owning and operating a versatile fleet of 66 advanced project cargo vessels with a lifting capacity of up to 3,000 t SWL.

Our guiding principle is: If there is water, there is a way.

Making the impossible possible, always finding a solution, going all the way.

To strengthen the Operations Team in our Hamburg office,  
we are looking for a:

# Senior Operations Manager (m/f/d)

### We offer:

- A varied job in our Operations Team, a multifaceted daily work schedule and possibility to partly work from home
- Perspective of long-term career in an international shipping company
- Salary package according to qualifications (incl. company pension scheme and travel allowance for daily commute)
- 30 days holiday
- Parents with children up to the age of 12 receive additional 10 days paid children's sick days
- Subsidised lunch in the bistro
- Fitness programme
- Training courses and career planning
- Vibrant company culture and social events

### Your profile:

You have completed an education in commercial sea transportation and have professional experience, ideally in the heavy lift or breakbulk industry. You demonstrate strong teamwork skills and thrive in a diverse and multicultural environment. You are an open-minded, proactive, and an enthusiastic individual, eager to contribute to the team's success. Your dedication and commitment to excellence make you an ideal candidate for this position.

### In addition, you have the following qualities:

- A high degree of personal integrity and responsibility
- Work service orientated and responsive in a structured manner as per given instruction and procedures with strong organisational and communicational skills
- Joy of self-motivated and goal-oriented work
- Knowledge of C/P terms and conditions and its execution
- Fluent in verbal and written English

### Your main responsibilities:

- To ensure professional, cost efficient and reliable execution of vessel voyages under simultaneous verification of all agreed terms and conditions
- Arrange port calls in good manner
- Vessel performance monitoring
- Voyage/port relevant documentation, i.e. bills of lading
- Laytime calculation
- Invoicing as per charter party terms and conditions
- Port agency management/area management including possibility of traveling
- Active communication with other departments, overseas offices and external parties
- Close cooperation with Intermarine/Intermarine Operations
